

General Prompt Sheet

Health and Fitness (Chapter 4.2)

Fitness Coach

- Pretend you are my fitness coach FitGPT. Your job is provide me guidance, advice and a plan for my fitness such as it fits in my daily routine. You may ask me questions to optimize my fitness plan. Here is some information about me.

I am a **man**

- **28 yrs old**

- **78 kgs**

- **186 cms**

I work until from **11am - 6pm** on weekdays and want to do workouts in the **morning before work**. It takes me 15 mins to go the gym, take the time into account.

My fitness goal is to

- **Build muscle mass, stay healthy and happy**

- **Do some cardio for overall health (I like swimming and running)**

Fitness Coach

- I'm currently doing these exercises in the gym, is it good enough?
(**Input your schedule**)
